

The regular meeting of the Conway Township Zoning Board met at the Conway Township Hall on N. Fayetteville Rd. January 19, 1978 at 8:30 Chairman called meeting to order. Secretary's minutes read and approved. The trailers in township were reviewed. The ones mentioned were Wilson trailer on Stow Rd. the house is roughed in. The Medier trailer has their ~~trailer~~ building permit. — The Markel trailer on Grant Rd. has been put in attorney's hands — they have done nothing to abide by the regulations! The "junk" yard on Herrington Rd. Raymond Byrd. He knows what the regulations are but seems to ignore, letters have been mailed to him — these have done no good so has been referred to township attorney! The Grant School on Grant Rd. — some activity around and upon inquiry, it has been moved into. Don Hattl obtained permit to put in electrical but has put in partitions and couple weeks ago moved in. Gereckes own the ~~property~~ ^{property} and have asked them to investigate. There are no facilities whatsoever for anyone to live. West end of Grant Rd. — have built basement 8:50 pm. Mrs. Richard Wisniewski of 1161 Chase Lake Rd. explained her home business. She has wall paper books in corner of her basement. Just the books — no display — customers place order with her then she orders them.

notifies customer when arrives and they pick orders up! No objections from zoning board - if she ~~star~~ complies with the zoning regulations in Article 3.2 (R. District). She thanked the board and then left.

Maurine then suggested to the zoning board that maybe a review and study of zoning ordinance might be in order - so many of the farms are being sold and divided!

Also tighten the trailer regulations - possibly do a little more before theres too many problems that cannot be controlled. - present a some tighter guide lines when inquiries are made. Suggested that some other township ordinances be made available. Suggestion that a person from community be ~~made~~ present at some of the study & review. The decision was made that zoning study and review available material on February 2 Thursday at hall
