Discussion of open positions for committee

Secretary – Takes minutes of the meeting and gets them ready for Cindy

Chair – Runs meetings, puts agenda together

*Deciding positions during next meeting

Saturday office work:

June 20, 2015 – All pictures were numbered and put in respective folders. Hand written data was worked on, including Daughters of the Revolution matching burials, Conway cemeteries folder and Civil war veterans.

July 18th – Continue matching burials and adding to Veterans spreadsheet

Discussion of Antrim cemetery – Board approved Monument Company to survey old part (North section) of burials. This will take about 3 weeks.

May have to redesign cemetery due to driveway and burial sites. Quoted \$2000 to plot cemetery, \$1500 for old section, and \$500 for new or south section. Also quoted \$1900 for the labor of putting rods and discs for lot and plot numbers. Not sure of cost of actual discs. Quoted \$4700 to “radar” the ground for burials.

Discussion of deeds and rewording needed on ordinances.

Fundraisers:

Ball drop at Dawn Patrol in September. Fowlerville Rotary is sponsoring the drop for us, and giving the cemetery board the proceeds, minus the prize money. 400 ping pong balls will fit in helicopter. Need to discuss prices for tickets and possibly having a tent with information.

Cemetery walk

Eagle scouts – Perennials with help from local garden club, corner posts, bulletin boards

Additional discussions:

Look at cost of burials – revise if needed.

Kathy is willing to write articles for newspapers.

Hedge row in Coughran. Flag wanted plants.

One on one conversations between committee members, no group conversations debating anything.
